Preparation of Bid

Each solicitation must be submitted on the prescribed form. All blank spaces for prices must be filled in, in ink or typewritten and must be fully completed and executed when submitted. If the unit price and the total amount named for an item are not in agreement, the unit price alone will be considered as representing the responder's intention and the total will be corrected to conform thereto. The responder must sign their solicitation in the space provided on the responder's form. If the solicitation is submitted by a partnership or corporation, the name and address of the partnership or corporation must be shown, together with the name and address of the partners or corporate officers. Solicitations submitted by a partnership must be signed by one of the partners. Solicitations submitted by a corporation must be signed by one of the corporate officials having, under the corporate structure, the power to act in this capacity. Solicitations submitted by a sole proprietorship must be signed by the proprietor.
